

Remarks

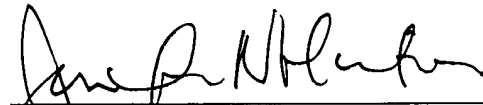

Applicant respectfully requests consideration of the pending claims of the instant application in view of the following remarks. Claims 3-8 and 11-13 have been cancelled. Claims 1-2 and 14-19 are currently pending.

The Examiner has rejected claims 1, 2, and 14-19 under 35 U.S.C. § 112, second paragraph as being indefinite. Claims 1, 2, and 17 have been amended to provide proper antecedent basis for all elements and to recite a structural connection between the brine tank and the conduit with communication with the treatment tank. Claim 14 has been amended to correct grammatical errors. Claim 17 has been amended to clarify that the first nozzle supplies water to the brine well. Therefore, claims 1, 2, and 14-19 have been amended to overcome the rejection and are now in condition for allowance.

In view of the foregoing, claims 1-2 and 14-19 are now in condition for allowance. A favorable response to this Amendment in the form of a Notice of Allowance is hereby solicited.

Respectfully submitted,

Date: 17 MAY 05
